<b>Hole 16 Sundowners</b>	<i>Relax and enjoy a breath-taking view of the sun setting to the east of Mt. Meru, accompanied often with Kilimanjaro in the spotlight to the west. All seated with cold beverages and snacks on the 16th tee box. Simply a must!</i>	\$15	-	-
<b>9-Holes Kiligolf</b>	<i>Whether you're a fanatic golfer or a beginner, 9-holes on the Championship Golf Course is a great challenge! Kiligolf, recognised as the most scenic golf course in East Africa, is nestled effortlessly into its surroundings with views of both Kilimanjaro and Meru. The course is home to several different species of birds, Impala, Thompson Gazelle, and Grant Gazelle. Go swing a club, it's a round you'll never forget!</i>	\$58	-	-
<b>18-Holes Kiligolf</b>	<i>9-holes is often not enough, especially on the Championship Golf Course, Kiligolf! The front 9 is open and dry, and the back 9 is shaded and wet. Both 9's offering a completely different scenic and playing setting. Whether you finish above or below your handicap, you'll feel fulfilled with the experience, and be able to proudly tell your friends, you've played the best course in Tanzania! Highly recommended!</i>	\$85	-	-
<b>Golf Lessons</b>	<i>Looking to learn how to play golf, or need your swing corrected? Kiligolf has the resources to help! The driving range and practice greens are located right by the club house, with a stunning view of both Meru and Kilimanjaro. The friendly club staff and coaches will take care of you, from helping you tweak your technique, to serving you your favourite cold beverage at the clubhouse. Get out and enjoy yourself!</i>	\$38	-	-

<b>Arusha National Park</b>	<i>Only a 20 minute drive from the Villa, is Arusha's very own National Park. Arusha National Park covers Mt. Meru, and although small, has so much to offer! From the Ngurdoto Crater grasslands, to the shallow alkaline Momella Lakes, and up the mountain to the cold and forestry beauty. The park has an abundance of birdlife, buffalo, giraffe, gazelles, monkeys, zebra, flamingo, bushbuck, elephant, leopard, and the famous colobus monkey! A highly recommended experience!</i>	-	\$500	\$670
<b>Arusha National Park, Walking Safari</b>	<i>Enjoy the beauty of Arusha National Park on foot! With a highly trained guide and an armed park ranger, experience the foothills and grasslands out in the open and safely vulnerable to your surroundings. Approach wildlife with caution and precision, learn how to track and trail wildlife, and enjoy the exercise!</i>	-	\$550	\$750
<b>Lake Duluti Canoeing</b>	<i>Located only 30 minutes from the Villa, Lake Duluti is volcano crater lake in the Mt. Meru region. The lake itself is surrounded by tall trees and shrub up and along the crater rim making it the perfect spot to enjoy the quietness and calmness of casually canoeing around the shallows.</i>	-	\$40	\$40
<b>Usa River Market Visit</b>	<i>The Villa is located in Usa River, part of the Arusha region. Go visit our delightful neighbors and see what they have to sell at their local markets. Try some local 'Nyama Choma' BBQ meat, or some 'mahindi' corn on the cob. Buy a maasai 'shuka', or an African kekoy. Walk around and interact with the locals, get to know the beautiful, kind, and caring Tanzanian people!</i>	\$50	\$50	\$50
